*Catch made under B Days At Sea based on Vessel Monitoring System (VMS) declaration

*Kept based on VMS reporting, live weight

*Note these data are the best available to NMFS when this report was compiled and are preliminary.

*Management actions for the U.S./Canada Management Area, under the authority of the Regional Administrator (such as closures and possession limits) are based upon Vessel Monitoring System (VMS) reports and other available information.

¹Only regulated groundfish species that are not legal-sized may be discarded.

²Discard estimated based on Observer Contract (OBSCON) reporting, live weight. Discarded values may change due to OBSCON updates
